

Volunteer to Create Social Media Content

Help us create content to post online. If you are new to social media, please do a little research. See what we've posted on Facebook and our hnmc.org blog in the past. The best posts include good photos! Facebook and Instagram posts should be brief. Blog posts should include more of a story.

Creating a post for Facebook or Instagram

Fill out our [Student Spotlight Form](#) through the link. The content submitted will be used by our office to create posts.

Take a music related photo and provide a caption for it. Email it to: [Social Media Content](#)

Creating a blog post

Pick a topic that would be interesting to you, be music related, and reflect well on the music center. HNMC reserves the right to edit any content submitted and publish it at our discretion. Include photos! Email your writing & photos to [Social Media Content](#)

Sample topics:

[Student Spotlight Form](#) Fill out the form through the link on our web page. The content submitted will be used by our office to create posts.

Teacher Interview Ask your teacher if you can interview them and write a blog post for the hnmc.org website. Ask them questions that will get them to share personal stories or experiences from their life. Ask them for pictures you can include or take a picture of you with your teacher and write what you love about studying music with them.

My Favorite Memory of Holy Names Music Center

History of Music in My Family and how it led me to Holy Names Music Center

How Music has helped me or made my life better

Why I love music

How I overcame an obstacle while learning music

Advice for other music students from my experience (ie: practicing, persevering, not getting discouraged)

HNMC Event Article Write about an HNMC event or service opportunity you attended or participated in. Include date and location and details about the event and your part in it if you were performing or actively serving. Include photos from the event.

Be creative and use your imagination!
